

AXON KNOWLEDGE

AXON COMPLIANCE REVIEW OFFERING COMPLETE TRANSPARENCY INTO YOUR FIRM'S LICENSING AND REPORTING REQUIREMENTS

AXON ACR

Combining Axon's market data expertise, and supported by content from the PEAR platform, the Axon Compliance Review service (ACR) helps firms establish where they sit within the market data compliance spectrum, and makes recommendations for savings, efficiencies and process improvements.

INTEGRATE OR STAND-ALONE

The service can be provided either as a precursor to migrating to ADS, or as a stand-alone piece of work, to give firms peace of mind about their data licensing and reporting compliance status.

BESPOKE SERVICE

ACR can be tailored specifically to the needs of each firm, depending on their market data compliance goals.

+ CORE FEATURES

IN DEPTH UNDERSTANDING

The in-depth knowledge of the Axon analysts, coupled with the powerful knowledge database PEAR, provides a complete view of your market data environment from a compliance perspective.

COST SAVING OPPORTUNITIES

Evaluates and recommends savings that can be made to market data spend, by employing netting and other potential cost saving strategies.

EXCHANGE AUDIT MITIGATION

Highlights any licensing inconsistencies, or exposures, and offers remediation advice to help achieve compliance across applications and services.
